Developers Protest Moratorium

Over \$100 Received

Search and Rescue Team Needs Operating Funds

The first week of the drive to secure operating money for the Sierra Madre Search and Rescue Team, saw a little over \$100 contributed. The possibility of three pair of mountain boots and a few feet of rope. To keep this team in operation for the next year it is estimated that \$2500 will be desperately needed.

Contributors so far, up to and including Monday evening of this week were:

Charles I. Corp
Vivien B. Ragsdale
Lydia B. Allen
Roland Blanchard
Louise Pozzo Misemer
Mrs. L. H. Rasmussen
Robert and Kathleen Shadforth

Roy and Lucille Pickett
George and Vivian Henson
Dr. D'Arcy
The Funston Family
Ralph and Alice Jones
Sisters of St. Mary
Robert and Marie Vanderpool

Come on!!! Civic clubs, fraternal organizations, bridge clubs, coffee clubs, and groups... Look into your treasury, long and hard, realize what it means to keep our rescue team on the active list and give as much as you can.

Sierra Madre has always met its United Way, its Red Cross drives and hundreds of other obligations... Now we are called upon to meet

a drive that is really close to all of us, our Search and Rescue Team.

Let's not wait until they are called to take up enough money to buy them rope and boots to answer the call... These men give hundreds of hours of their valuable time in training, and

Kiwanis Sponsor Dodger Game Bus

The Sierra Madre Kiwanis Club is sponsoring a chartered bus for the Dodger game, Wednesday, June 10. The bus will leave the Woman's Club House at 6 p.m.

The Kiwanians have choice seats, as they are procured in a block, but the tickets will be on first come first served basis, and will be available June 3 at Hartman's Pharmacy.

The Kiwanis hope that this will be a regular affair and urge all who are interested in attending the game, to get their tickets early, go by bus, instead of fighting the traffic, and help make this a successful venture.

Barney Yunck, Attorney Eaton Ask Council For Redress of Inequity

Webster Vannier Chairmans Ad Hoc Water Study Group

Although the hour showed eleven o'clock, Mel Bowman presented himself to the council in loud protest to the 90-day moratorium and distributed accusations hither and yon, and stood ready to attack anyone that even remotely was connected with the Committee who were studying the Hillside Ordinance. Stating that he was prepared to hold the floor the balance of the evening, it was only through the good nature of our Mayor, that he was swindled into conceding the floor.

Henry Ask Deliverance

Henry McNulty, developer of the Willis property, presented reasons why his tract should be considered outside the moratorium, due to the tract map having been presented prior to the moratorium, and together with Mr. Bowman showed where the moratorium was costing him considerable money in delay.

Henry Nuetzel, then attacked the council on the fact that his lot split had been withheld due to the moratorium, which would cost him considerable in moving in equipment at a later date to complete the work that was required in his subdivision.

In consideration of allowing the two Henrys, to raise

the sides of the circus tent and slip into the arena, the Council postponed any action until the meeting of June 9 when the Jan Maddox committee will be asked to indicate their position relative to lot splits and zoning, and that McNulty to present a grading recommendation plus overlays of safety measures proposed. The Council will make their decision at that time.

Postponed

Although there will be an overcrowded agenda for the June 9 meeting, the Santa Anita Hastings fountain variance will be heard at that time. Further the Suffolk Street Extension will also have its public hearing on that date.

Merrill Alley

Earlier in the meeting the Council passed resolutions to overrule any and all protests relative to the Merrill Alley Improvement and another resolution ordering the work done and the calling for bids, and the improvement will proceed.

Merchants Say, 'Let's Go'

Planning Comm. Adopts Proposed Suffolk Extension

A full house waited 20 minutes for a quorum of the Sierra Madre Planning Commission to arrive at the regular monthly meeting, held Thursday, May 21.

Chairman Cagney called the meeting to order and Commissioners DeWright, Petz, D'Arcy and Hartman were in their respective chairs. Ralph Rule sat in as representative for the City Council, City Attorney Martin and Larry Adams were also present.

The first item of business was a setback variance requested by the Santa Anita Hastings Development to build a fountain on their development at the corner of Sierra Madre Blvd. and Michillinda.

The Planning Commission was split on this decision, some felt it would add beauty to the entrance of the city, while others felt it would be hazardous to small children, in addition that the Santa Anita Hastings Development should have incorporated this in the original plans and allowed more room for the fountain. With a split vote of 2-2 this item was sent on to the City Council without recommendation.

Not on the agenda but discussed so as not to hold up the Santa Anita Hastings Development was the street numbering. It was agreed that the development be assigned one number for the

entire unit and then the individual units to be lettered or numbered.

Variance was granted for 360 Ramona, the Planning Commission felt that this was a unique situation, and was planned for best use of the land.

Lot split and Variance request for 397 Montecito was discussed at great lengths. The Commissioner's general consensus was that if more new houses were to be added to Grove Street, that this 14 foot street should be widened. The applicant remarked he did not want his lot split at the expense of other residents being forced into giving land or being assessed for widening this street.

It was moved and seconded that this item be carried over for further study.

Suffolk Street extension was the next item of business. This is a precise plan from the adopted Master Plan to extend Suffolk from Baldwin through to Hermosa.

In hearing the remarks from interested parties the general opinion was in favor of the extension, but hoped that all the property could be acquired in one action and work started and completed instead of piecemeal.

Mayor Proclaims Realtor Week In Arcadia May 24-30

A proclamation setting the week of May 24-30 as "Realtor Week" has been signed by Arcadia Mayor Dale E. Turner as the Arcadia Board of Realtors prepares to join the 1470 constituent Boards of the National Association of Real Estate Boards in the annual observance.

Mayor Turner cited the leadership of Realtors in the development of the city stating by proclamation:

WHEREAS, the Arcadia Board of Realtors is observing Realtor Week from May 24-30 in conjunction with hundreds of other member boards of the National Association of Real Estate Boards throughout the country; and

WHEREAS, the Realtors of Arcadia have been instrumental in providing hundreds of our families with home ownership, and continue to be devoted to

this end, with resultant benefits to both individuals and the community; and

WHEREAS, Realtors have also in the commercial and industrial growth of our city by their professional competence in planning and building commercial structures and by aiding the buyers and sellers of such property with fairness and equity; and

WHEREAS, the devotion of Realtors to civic advancement has transcended their business interests, as shown by the unselfish donation of their time and professional skills to agencies of local government, fraternal and service clubs, and—most particularly—to urban conservation and the elimination of slums through their Build America Better programs; and

WHEREAS, Realtors stand in the forefront of the professional organizations in our community because of the Code of Ethics to which they are pledged; NOW, THEREFORE, I, DALE E. TURNER, Mayor of the City of Arcadia, do hereby proclaim the week of May 24-30, 1964, to be REALTOR WEEK and urge our citizens to join with the Arcadia Board of Realtors in observance of it.

Annual Baseball Dinner-Dance Planned June 13

You're Las Vegas bound, that is, if you are the winner. Two nights and three days of fun at the fabulous Showboat Hotel in Las Vegas is in store for some lucky couple attending the 4th annual Base-Ball Dinner-Dance on June 13, according to Dance Chairman Shirlee Bagnall.

Arrangements have been made with the plush Las Vegas resort hotel to roll out the gold carpet to a Sierra Madre couple. "On the house" will be a luxurious room, cocktails, meals and even a few chances at Bingo.

The Base-Ball Dinner-Dance again will be held at the Jewish Temple Center at 1434 N. Altadena Drive in Pasadena.

On the musical podium again will be "Deke" Dietrich and his Sierra Six—most of whom are local talent and terrific.

After you've worked up an appetite on the dance floor, you're invited to move over to the buffet-style dinner table and help yourself to another scrumptious meal catered by Roberts of Pasadena, who did such an excellent job last year.

If you're a parent of a Sierra Madre Little Leaguer or Babe Ruth Leaguer, you'll be receiving your Dinner-Dance tickets in the mail and we hope you will share them with a friend. If you do not have any children in local baseball but do want to join in the fun with other friends on June 13, tickets are available. Phone Shirlee Bagnall at EL. 5-8214 for further information.

Committee For Goldwater to Sponsor Banquet

The Goldwater For President Committee is sponsoring a "Banquet for Barry" this Thursday, May 28, at The Palms. The Palms is located at 1920 E. Alhambra, Highway 66, in Glendora. There will be a social hour from 6:30 to 7:30; at 7:30 dinner will be served. Tickets are \$6.

Senator Goldwater will be the guest of honor. As this is one of his last personal appearances before the June 2nd Primary, it is expected that he will give an address of major importance. This event will be covered by local and national press, as well as television. Many local dignitaries will be present for this dinner.

James Drury of "Cheyenne" will be the M.C. Mrs. Richard Kumer of Glendora will be the organist for the program which will include other local talent. At 8:30 tickets for \$1 will be sold for standing room on a "first come, first served" basis.

Brown Military Academy of Glendora will have its Honor Guard in attendance. Goldwater Gals will be the hostesses for the evening and will escort Goldwater and the other dignitaries to the speakers' table.

"This should be a most exciting event and we urge all those who wish a ticket to immediately contact their local Goldwater headquarters in Claremont, Pomona, San Dimas, La Verne, Glendora, Azusa, Covina, West Covina, Duarte or Monrovia which are sponsoring the and will escort Goldwater 'Banquet for Barry' requests Mrs. Gerald C. Stack, chairman.

Caltech Service League Complete Season

At the completion of a most successful season, the last Cal Tech Service League's board meeting of the year was held on Wednesday, May 13 at the home of the president, Mrs. Ronald Ross, in San Marino. Reports of the past year were given with a special note of pride for the results of the benefit, the recent fashion show held in the new Beckman auditorium, which netted twice that of any previous year. This will enable the league to be of even more service to the students next year, and plans have begun for its program of assistance.

New officers for the next year were announced: Mrs. Ronald Ross, president; Mrs. Herbert Diehl, first vice president; Mrs. Robert Leighton, second vice president; Mrs. Benjo Gutenberg, treasurer; Mrs. Forest Gibson, recording secretary; Mrs. Jack Sessler, financial secretary and Mrs. Frank Slaby, corresponding secretary.

After the meeting a delicious luncheon was served, at which the area chairmen were guests of honor; Mrs. Robert Sharp, Pasadena area; Mrs. Donald Shaw, San Gabriel Valley area; Mrs. Leo Kelm, Vista area; Mrs. Francis Clauser, Rolling Hills area, and Mrs. George Ono from the Hollywood area.

The Cal Tech Service League, whose membership consists of parents, faculty and friends of the Institute, will open its fall season next October. Parents of new students, as well as friends, are cordially invited to become members.

Myrtle Weese Awarded Prize

Mrs. E. M. (Myrtle) Weese was awarded first cash prize for her portrait "Lee Be Gay" at Friday Morning Club's Annual Award Tea in Los Angeles on Tuesday, May 19.

Friday Morning Club sponsors an invitational exhibit of the best work from each of several art clubs. Five clubs were in final competition and it was from this select group that Mrs. Weese was given the top award in portrait.

Mrs. Weese represented Las Artistas.

End of Year Activities For Anokaia School

The Athletic Association Awards dinner will be the first program leading to Commencement at Anokaia School. This is to be held at the Altadena Town and Country Club at 7 o'clock in the evening of June 4. At this time awards are given for tennis, swimming and the various other sports. Kathryn Bond, daughter of Mr. and Mrs. George Cline Bond of Pasadena, is president of the Athletic Association and will preside at the dinner.

June 8 is the date set for the annual Anokaia Alumnae Association luncheon by the pool at Anokaia. This year the classes of '64, '54, '44 and '34 will be honored. At this time the class of '54 will disinter their class prophecy to be read again and the class of '64 will bury their class prophecy to be read again ten years hence.

FLOURNOY REPORT

by Assemblyman
Houston I. Flournoy
49TH ASSEMBLY DISTRICT

Once again unity of the Republicans in the California State Assembly has paid dividends for California taxpayers. In the fact of our insistence that Governor Brown's budget be reduced, more than \$40 million was finally pared from the budget bill before it was able to pass the Assembly with the required two-thirds majority.

Of at least equal significance to the actual dollar reductions is the change in the appropriation procedure for the social welfare program. An integral part of our Republican demand was the establishment of a ceiling on the expenditures for social welfare and a legislative review of that program.

In the past the social welfare cost in the Governor's budget has been solely an "estimate" of anticipated cost, while the actual cost for the year was determined by the number of recipients who did, in fact, qualify for the programs. When the anticipated caseload was over-estimated in the original budget, as has been consistently the case in recent years, the Department of Social Welfare has frequently found ways to spend these surplus funds.

Thanks to the demands of our Republican caucus, expenditures for social welfare will now come under the examination of the legislature, and have a fixed ceiling. Henceforth, this ceiling will be established by the legislature and cannot be exceeded unless the actual number of recipients exceeds the legislative estimates. Any changes in the regulations or administration of the program which would add additional costs costs over the estimated total expenditure are prohibited.

A. Alan Post, the legislature's budget analyst, has termed this change "the most important budgetary reform in 10 years." When I think of the rate at which social welfare costs have exploded in the last three or four years, I cannot help but it's about time something was done to reverse this trend.

Local Group Presents Play

The Sierra Madre Committee to Preserve Fair Housing is presenting a play "Who Me?" by Mrs. Harmon Gehr at 8 p.m. on Thursday, June 4, at the Episcopal Church of the Ascension, 25 E. Laurel Ave., Sierra Madre.

A coffee hour with a presentation and discussion of the Housing Initiative, moderated by the Rev. Dr. John H. Burt, will follow in the Parish House.

LESS COMPETITION
Honesty has never had to crowd anybody out in order to make a decent living.

Planning Commission

The City Attorney stated that if General funds were used the project could be completed if the funds held out. If Assessment bonds were used, the world would in all probability be done in districts. As of now it is not known how this would be handled as the City Council must wait until the Planning Commission adopts the plan.

Mr. Sam Perloff spoke in positive favor of this extension. Charles Ower seconded Mr. Perloff's remarks and was a project that should have been started "day-before-yesterday." Mr. Ower suggested that the merchants involved donate parcels of land to get this project, that is needed so badly, under way.

It was moved and carried that the map presented be adopted and approved; freeze construction for 180 days in the area of proposed roadway, and 25 ft. setback at the south. It will now go on to the City Council, additional hearings will be set.

McNulty's tentative tract map (Willis property) and Neutzel lot split, was handled individually but the same conclusion was reached, these were denied because of reasons set forth by the City Council's moratorium. These were automatically sent on to City Council.

"Required" parking, discussion of proposed Windsor Lane zone change and cluster grouping of houses were all held over for further study.

Request for tree removal at 76 W. Bonita, was determined that owner could remove the trees at their own expense with the stipulation that the designated street tree be planted also at owner's expense. The tree removal at 465 N. Baldwin was granted. The owner volunteered to remove tree

and replace any cement work needed on sidewalk. Larry Adams was unanimously appointed secretary to the Planning Commission. Larry is assistant engineer.

A revision of the Master tree list was submitted by Mrs. DeWright. It is a suggested tree list for streets that have no designated trees. The Planning Commission voted to accept Mrs. DeWright's suggested list.

On the joint meeting with the City Council, Larry Adams reported that due to the fact that this time of the year, the City Council is bogged down with budget meetings and personnel meetings and, all in all, it is a bad time, so any meeting will be in the future, probably August or September.

No meeting is set to meet with the Canyon but the Planning Commission proposes one in the future. The Commission feels that the Canyon Study has been misinterpreted and facts not reported correctly, as Chairman Casey stated the Canyon study was just a long range plan to find some solution to benefit all, when and if the residents of that area, or new residents moving in requested variances or setbacks, there would be a plan to follow and the applicants would know what they could do before applying.

Chairman Casey announced that several letters had been received from the Canyon residents, and he was pleased with the communications and interest; only when there is communication and interest can any problem, real or otherwise, be solved.

The Sierra Madre Planning Commission adjourned until their next regular meeting which will be June 18.

Communism In The Christian Science Movement?

An organization called "Christian Scientists to Combat Communism in the Christian Science Movement" has been formed in Pasadena, Calif., by Ray William Gardner to expose what he terms the "Socialist leanings" of the **Christian Science Monitor** under the editorship of Council on Foreign Relations member Erwin D. Canham.

Mr. Gardner feels that the **Christian Science Monitor** is being used to propagandize Christian Scientists and others into accepting One-World government.

Mr. Gardner cites Mr. Canham's association with, or membership in, such One-World organizations as the Twentieth Century Fund, Council on Foreign Relations, past vice chairman of UNESCO, and the fact that Canham is a Rhodes scholar. He says Mr. Canham openly advocates recognition of Red China.

The long-range goal of

this organization is "to open chapters of the organization in every major city in America to guard against subversion creeping into the Christian Science Church." Gardner says the **Monitor** is "constantly promoting Left-wing causes, actors, politicians, and Communist merchandise, and has given free publicity to the One-World revised standard version of the Bible, which is not recognized by the Christian Science Church."

"The **Monitor**," according to Gardner, "has hired Left-wing writers since the year 1922, when the Christian Science Board of Directors fired, on false charges, the then Board of Trustees who were in charge of the Christian Science periodicals at that time, and replaced them with their own satellites to whom they could dictate or control." Mr. Gardner feels that there is "a deliberate and planned conspiracy within the Chris-

MEMOS FROM YOUR Stylist

by **LOLITA**

Whether it be money, marbles or curl in our hair, it's hard to imagine having too much of a good thing. Some women, however, find themselves fighting wavy, too-curly hair which is next to impossible to manage. This is the hair that refuses to hold any shape, frizzles wildly when the air turns humid, and is certain to give fits to even the most accomplished stylist.

Women so cursed must resign themselves to constantly fighting this problem or, strangely, resort to a hair straightening process — a permanent in reverse — which is effective for about three months. Due to the strength of the lotions involved and the exactitude of the process, hair straight-

Carol Patterson and Michael Laughlin United In Formal Afternoon Wedding

MRS. MICHAEL THOMAS LAUGHLIN
... nee Carol Ann Patterson

St. Philip, Church of the Apostle, Pasadena, was the setting May 23 for the beautiful afternoon wedding uniting Miss Carol Ann Patterson and Mr. Michael Thomas Laughlin in marriage. The Reverend Father Michael Dunn performed the ceremony in the presence of 400 guests.

The bride is the daughter of Dr. and Mrs. Harry Clayton Patterson of 3670 Greenhill Road, Pasadena, and the bridegroom is the son of Mr. and Mrs. William Thomas Laughlin of 8255 Doris St., San Gabriel.

Given in marriage by her father, the bride wore an exquisite gown of silk organza with imported Alencon lace at the scooped

neckline. Appliques of the lace jeweled in seed pearls were also on the chapel length skirt and wattleau train. Her shoulder length veil of illusion was held in place by a pillbox of Alencon lace jeweled in seed pearls. The bride carried a white prayer book, from which a cascade of butterfly orchids and lilies of the valley fell.

The matron of honor was Mrs. Richard W. Vallone of Arcadia, and the bridesmaids were Mrs. Gene Grant of Santa Barbara, Mrs. James Morgan of Pasadena, Miss Joanne Kennelly of Pasadena, and Mrs. Vincent Spencer, sister of the bridegroom, from San Diego. Their floor length gowns were of neptune peau de soie, and their hats were matching beaded circlets with a face veil. The bridal attendants carried cascades of white carnations and daisies.

The flower girl was Miss Debbie Hodge, daughter of Mr. and Mrs. Robert Hodge of Whittier. Her gown was of white organdy over light turquoise taffeta. She wore a crown of white daisies in her hair, and carried a small basket of white daisies. The ring bearer was Master Richard Schribner, son of Mr. and Mrs. William Schribner, Jr., of Arcadia.

Serving as best man was Mr. Robert Gwyn of Westwood. The ushers were Mr. Richard L. Patterson, brother of the bride, of Pasadena, Mr. Vincent Spencer of San Diego, Mr. Gary Downing of Arcadia, Mr. Donn Easterling of San Diego, Mr. Richard W. Vallone of Arcadia, and Mr. Dennis Neagle of San Diego.

For her daughter's wedding Mrs. Patterson wore a sheath of re-embroidered imported Alencon lace in cameo pink, with matching accessories. She carried rose colored glamelias on her bag. The bridegroom's mother wore a champagne beige chiffon - over - crepe gown, with matching accessories. Her hat picked up the green in the cymbidiums she carried on her bag. Following the wedding, a reception was held around the pool at the home of the bride's parents.

The bride is a graduate of Pasadena High School and of Pasadena City College, where she was affiliated with Pamphile. The bridegroom is a graduate of San Gabriel High School and of Pasadena City College, where he was affiliated with Zeta Sigma.

Out-of-town guests present for the wedding included Mr. and Mrs. O. H. Byrum, grandparents of the bridegroom, from Wenatchee, Washington; Mr. and Mrs. Fred Robbins of Hinsdale, Illinois; Mr. and Mrs. Charles Stabler of Berkeley, California, and Mr. and Mrs. Kelton E. Bainum of Las Vegas, Nevada.

Following a honeymoon trip to several resort spots in Southern California and Nevada, the newly married couple will be at home in San Gabriel after June 1.

New Officers To Be Honored By Shakespeare Club

The Stratford House Tea Room at the Shakespeare Club will be glowing with candles and the tables decorated with daisies in shades of russet and gold for the tea honoring the newly installed officers on Tuesday, June 2. Mr. Robert H. Bunker is the chairman.

The installation will take place in the auditorium at 1:30 p.m. with the Shakespeare theme prevailing honoring the quadricentennial of Shakespeare's birth. The stage will be decorated with a scene from Anne Hathaways Cottage as well as with many garden flowers and damask roses.

Officers to be installed are Mrs. T. William Heider, president, who has been elected to a second term. Her officers will include Mrs. James C. Chambers, vice president; Mrs. Cora Belle Cutter, and Miss Margaret Hookway, secretaries, and Mrs. William Juckett, treasurer.

Others are Mrs. Harvey H. Gunn, house; Mrs. Langdon H. Tannehill, public affairs; Mrs. William C. Ricks, membership; Mrs. Walter Benedict, program; Mrs. A. Leonard Stevenson, press, and Mrs. William Oates, ways and means. Mrs. Earle L. Hadley is the installing officer.

Women's Council Of Assumption

Members of the Women's Council of the Assumption of the Blessed Virgin Mary Church will hold installation ceremonies for their new officers at the Council's last meeting of the year, Tuesday, June 2, at 8 p.m. in the parish hall.

Mrs. J. A. Conway, former president, will install Mrs. Darrell Wright, president; Mrs. Joseph Bearce, first

vice president; Mrs. Lawrence Elfelt, second vice president; Mrs. James Joy, third vice president; Mrs. J. Robert Sullivan, secretary and Mrs. Edward Elko, treasurer.

A special musical program will be presented by the Glee Club of the Assumption School under the direction of Miss Patricia Spano.

Reverse P. C.
The Council reversed the opinion of the Planning Commission relative to the denial of the Shapiro variance, and granted the variance as applied for.

Administrative
Under Administrative items, the Orange Grove speed control problem, before the Council previously, had resolved itself in that Arcadia was willing to take over the south half of Orange Grove, thus allowing their police department to work with Sierra Madre to obtain better traffic regulations and enforcement and Patrol.

Water Committee
The Mayor appointed the ad hoc water committee, consisting of Webster Vanier as chairman, Perry H. Brown and R. Robert Evans, and charged them with the duties of studying existing reports, determine need for further professional study, and lay guide lines for professional study and reports, regarding supplemental water supply, to examine the basic assumptions made in these reports and to analyze the cost-benefits ratio which would result if the recommendations of the report were followed. Sierra Madreans may be faced with a 12-million dollar expenditure, and the Council

is endeavoring to find the best direction to move.

A. O. A.

Attorney Noren Eaton, representing the Apartment Owners Association, called attention to the discriminatory water rates that were being charged multiple units, and stated that although the city water department did not come under the jurisdiction of the PUC, it could certainly be reviewed by the courts. After his ultimatum, Barney Yunk, chairman of the board of A.O.A. presented a resume of charges of various cities throughout the area and pointed to an unanimous resolution of the membership approving immediate action from the Board of Directors to present these facts and seek redress of this inequity and secure a refund of all overpayments for water by reason of this unfair and discriminatory rate practice. Mayor Sorensen gave each Councilman a copy of the report and asked that each make an individual study of the rates as shown, and return to the Council on June 9 with their recommendations.

At 11:35 the Mayor proclaimed Clean-Up Time to be June 7 through 20, and while doing so cleaned the Council Chambers by ad-

journalment until June 9 to tackle an extra heavy agenda.

Letters To The Editor . . .

Dear Editor:

The use and abuse of statistics is indeed upon us and both mathematicians and non-mathematicians wonder if the statisticians commissioned to interpret the primary election votes are not getting a little beyond themselves.

The more those figures are tampered with the more obvious it becomes that the thought of a President like Barry Goldwater, who believes in God, the U.S. Constitution, the family and the individual, chills the liberal "Establishment" to the bone.

— MOLLY SMITH

Hillside Committee

Jan Maddox, Larry Adams, the City Assistant Engineer, and Frank Parks, advisor for the Council.

Mrs. Maddox then gave some background on the committee's work. They have been meeting twice weekly, done an immense amount of research, consulted experts in all fields, studied the city files, all in all, doing a tremendous amount of fact finding.

Monday's meeting was to voice these findings, plus hear any and all comments and suggestions from the audience. No conclusions will be made, no action taken. This meeting was for the purpose of gathering and disbursing information. Several members of the interested audience made suggestions, of which the committee made notes to add to their already crammed files. Some of the suggestions were: No grading to be started or conducted during the rainy season, planting and maintenance of slopes after construction, storm drains, increase lot sizes, enforcement of present Ordinance or any new one that may be adopted, cluster housing, encourage more cantilever construction, stress the importance of ground covers, granite ditches when slopes adjoin adjacent properties, and many, many more.

The item that came up consistently was the enforcement of these, as several members stated, no suggestion or Ordinance is any good unless enforced. The audience thanked the committee for their efforts, time and concern, and in return the audience was thanked for coming to the meeting and voicing an opinion.

The committee retired to do some more fact-finding and consolidate their notes. They hope to meet the deadline of the 90-day Moratorium set by the City Council. No final decision will be made without contact with all interested persons.

Of First Half Of Church Year

In marking the beginning of the non-festival half of the church year next Sunday, the Rev. Armin Hesse will introduce a series of seven pulpit messages on the Old Testament Book of the Prophet Micah in the 10:30 worship services at Faith Lutheran Church, 845 Hastings Ranch Drive.

His pulpit message, based on the first chapter, will be entitled "The Funeral Announcement of Two Nations," a sermon which will take into account also the nation's observance of Memorial Day.

In announcing this series of sermons the clergyman states that "All that some Christians know about the Prophet Micah is his prophecy regarding the birthplace of Christ, which enabled the Magi to learn in Jerusalem that Christ was to be born in Bethlehem.

While the Prophet's messianic prophecies are vital, they must be considered within the context and purpose of his Book. Micah shows us that the Lord God visits judgment upon a nation which does not repent and check its social sins of greed, oppression, immorality, crime, and irreligion, and that the only way it can turn from materialism to soundness is by accepting Christ as Ruler in the lives of its people."

The Senior Choir will sing Carl F. Mueller's arrangement of "Oh God, Our Help in Ages Past." Nursery care is provided for children from six months up to five years of age during the congregation's 10:30 worship service.

Recently the Voting Assembly resolved that for purposes of accommodation two Sunday services will be held from June 14 through September 20, an early service at 8:45, with Sunday school and Bible classes following; and the main worship service at 10:30.

The Church Council will meet Monday evening at

Home Pool Safety

through its thorough coverage with the news stories. The individual homeowners who are hosting the sessions have made it possible to keep this on an informal basis by making their facilities available.

Other thanks, to the city forces, include the sponsorship by Chief Brown's department; Patrolman Kit Sanders of the Police Department; Ray Shackelford as First Aid instructor, and Mrs. Billie Ower, with son, Mike, who is to be used for the practical demonstrations. These people have all given of their time to help the citizens of Sierra Madre make their home swimming pool a safer place in which to enjoy themselves during the summer months. Please plan to attend, even if within another zone area.

Albert Ratzloff Passes Away

Mr. Albert C. Ratzloff, age 62, passed away suddenly May 19 at the Sierra Madre Community Hospital. He lived at 12710 Third St. in Yucaipa, but became ill while visiting in the home of his daughter, Mrs. John B. Adams of Sierra Madre.

Mr. Ratzloff was originally from Kansas, but had lived in California for the past 45 years. He was a retired inspector for Consolidated Electro-Dynamics Corporation, and had resided in Pasadena for 40 years.

Creative Arts Offer Workshop For Handicapped

A unique experiment in arts with children who are physically handicapped is included in the new activities offered by the Creative Arts Group summer session at the Adobe, 37 E. Montecito St. in Sierra Madre. Co-sponsored with the Arcadia Area Center of the Pasadena PWCA, this workshop will stress creative fun with art, drama, music and games for boys and girls 9 to 12 years of age who have physical handicaps of one sort or another.

Heading the new workshop will be Jane Morse and Marit Stewart, who are known in this area for their creative approach to art and drama with children both through the Children's Theater which they founded in 1955 and the Creative Arts Group which they helped launch in 1960. Meeting on Tuesday and Thursday afternoons from 1 to 2:30, the new group will be limited to ten children. Those interested may call the Arcadia YWCA, HI. 7-7500.

Information on the more than 20 other workshops for children, teens and adults at the Creative Arts Group may be had at the Adobe or phone 356-1450 Monday through Friday between 10 and 2 o'clock.

Letters To The Editor . . .

Dear Editor:

Well, well, I see "Little Joe" is at it again! And joined by the editor, no less! If you ultra-right crackpot Birchers would only open your minds long enough to let some good information in, you wouldn't be saying I'm "off my rocker" or giving a blanket condemnation of the United Nations.

To boldly state that their literature is all lies and distortion is going pretty far. I defy you to prove it! Next thing you'll be advocating Earl Warren's impeachment, I suppose.

You extremists had better wake up to the fact that I'm not "the one to watch," you're the ones who are hampering the drive for peace.

Thanks to "name withheld" for helping out a good cause. I don't notice anyone coming to sonny's rescue.

LEGAL NOTICE

NOTICE OF PUBLIC HEARING
NOTICE IS HEREBY GIVEN that pursuant to the provisions of the Code of the City of Sierra Madre, Section 9223, that the City Council of the City of Sierra Madre has fixed for Tuesday, June 9, 1964, at the hour of 8:00 o'clock P.M., the Council Chambers of the City Hall, 55 West Sierra Madre Blvd., Sierra Madre, California, as the time and place for proposed variance to reduce the front yard setback to 5 feet in the portion of Lot A of Andrews Subdivision and further described as the southeast corner of Sierra Madre Blvd. and Michilinda Ave. Application and map are on file in the office of the City Clerk. The matter was considered by the Planning Commission and without recommendation.

The application alleges that there are special circumstances generally do not apply to other properties in the same district and vicinity; that the granting of a variance as aforesaid will result in a material damage or detriment to the public welfare and be injurious to persons in the vicinity thereof; that the proposed variance, if granted, would be subject to such conditions as the City Council may deem necessary to assure that the public welfare will be observed, and substantial justice done to all parties.

Interested persons may attend and be heard.

ORDINANCE NO. 723
AN ORDINANCE OF THE CITY OF SIERRA MADRE DECLARING A MORATORIUM ON R-1-H HILLSIDE GRADING, SUBDIVISION AND LOT SPLIT DEVELOPMENTS, DECLARING THE URGENCY HEREOF, AND MAKING THE SAME IMMEDIATELY EFFECTIVE.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE DOES ORDAIN:

SECTION 1. The City Council finds and determines:

1. That the existing regulations for the control of hillside developments in the R-1-H Zones of this City, as provided in Sections 9100 et seq., 9207.1 et seq. and 9429 et seq., have proven inadequate and lacking in essential safeguards to properly protect life and property in surrounding areas.

2. That current hillside developments have demonstrated the existing inadequacies in that recent rains have caused flooding, mud and drainage damages upon properties surrounding such developments.

3. That a citizens committee composed of engineers and knowledgeable people has been formed by this City Council and the Planning Commission to draft appropriate revisions to such regulations.

4. That such committee has held several meetings and proposed to submit its recommendations on or before July 14, 1964.

5. That to permit further hillside developments under existing inadequate regulations would be contrary to the public health, welfare and safety; that it is therefore appropriate to impose a moratorium thereon until July 14, 1964.

SECTION 2. The City Administrator, Building Inspector and Planning Commission of this City are hereby directed NOT to issue any permit, authorization or approval to proceed with any grading, subdivision or division of land in any R-1-H hillside residential zones until July 14, 1964.

SECTION 3. Sections 9100 et seq., 9207.1 et seq. and 9429 et seq. are hereby amended until July 14, 1964, to prohibit any grading, subdivision or division of land in the R-1-H hillside residential zones of this City.

SECTION 4. This Ordinance shall remain in effect until July 14, 1964, and shall upon that date terminate and lapse to all effects as though never adopted.

SECTION 5. This Ordinance is enacted under the authority of the City of Sierra Madre, California, and under the authority of the Government Code of the State of California, and under the authority of the cases Hunter V. Adams, 180 CA 2d 311; Fletcher V. Porter, 203 CA 2d 312; City of Los Angeles V. Metro Realty Co., 221 CA 151, and 222 CA 560.

SECTION 6. For the reasons set forth in Section 1 above, it is necessary and appropriate that this Ordinance become effective at once as an emergency ordinance.

SECTION 7. The City Clerk shall certify to the adoption of this Ordinance and shall cause the same to be printed once in a newspaper of general circulation, published and circulated in the City of Sierra Madre.

Passed by the City Council of the City of Sierra Madre on this 19th day of May, 1964.

Local Hospital Auxiliary Elects New Officers

A new slate of officers was elected at the Sierra Madre Community Hospital Auxiliary's meeting May 21 at the newly decorated Hermosa House. Mrs. Chester F. Lighthizer again heads the group as president; Mrs. Adelaide Miller, first vice president; Mrs. Sue D. Hemsley, second vice president; Mrs. Richard S. Ridgway, third vice president; Mrs. Otto Anderson, fourth vice president; Mrs. Herbert Hargraves, treasurer; Mrs. Roy R. Appleby, recording secretary; Mrs. Robert E. Summers, corresponding secretary; Mrs. Robert G. Davis, parliamentarian; directors: Mmes. William Meek, Charles Louk, Warren Brown, J. Carl Brand, Allen Puder; nominating committee, Mrs. Lauren Williams and Mrs. Gilbert Yorba.

In keeping with their medical education program, the chairman, Mrs. Otto Anderson, presented Mrs. John Richardson and Mrs. Thomas Concliding, past and present presidents of the Foot-hill Chapter of the National Cystic Fibrosis Research Foundation. A film was shown and questions answered by these two ladies who have had experience with the care needed for C/F patients, now estimated at 25,000. It is the most common and serious chronic disease of infancy and childhood but is inherited through parents carrying the gene. It is often wrongly diagnosed as asthma, bronchitis, celiac disease or an allergy. There is no known cure at present but there is hope of correcting this defect of human chemistry. Insulin was discovered as such a control for diabetes. The death rate in early childhood continues to decline as earlier diagnosis is made and the many necessary drugs and equipment used. As in cancer, perhaps a discovery for cystic fibrosis may be just around the corner. Members and guests were invited to the dining room for tea.

One of the easiest ways to acquire a striking personality is to become a chronic borrower.

SPORTS AS Hank Ives SEES IT

HIKING A SPORT??

The late president, John F. Kennedy, advocated lengthy hikes as a means of physical fitness. Let's face it, a stroll in the mountains with your family on Saturday afternoon is not only good for your health but gives the family a definite feeling of togetherness.

But what happens when one of the youngsters suddenly disappears, or some member of the family falls from the trail and is stranded, often with serious injuries?

THE CRY FOR "HELP" goes out and in Sierra Madre the crackerjack Search and Rescue Team swings into action. If it's humanly possible, these men bring the missing member back to the waiting arms of the family.

THEY ANSWER THE CRY FOR HELP immediately of ten leaving their families for hours and sometimes days. Their equipment is expensive and their time is valuable.

NOW IT'S TIME FOR the citizens of Sierra Madre to help the Search and Rescue Team. The precious equipment is becoming old and worn. Equipment that is used to save lives must be "the best" available. These men give freely of their time and experience, now let the members of this community dig into their pockets.

REMEMBER the life they save may be yours, or some member of your family. Think about it. You can drop a donation into any of the little bloodhounds that are spotted around town, or write a check and mail it to this paper. Checks should be made out to the Sierra Madre Search and Rescue Team.

GARAGE CLEANING TIME Old clipping found in the proverbial shoe box uncovered some interesting information on sports in 1949. A FELLER named John

McKay averaged 5.9 yards in 64 carries for the Oregon Webfoots. His teammate Bob Sanders led the Pacific Coast Conference with 726 yards. Woodley Lewis, later a Ram great, was in the same backfield. Stanford's Harry Hugasian, former PHS star, finished seventh in the conference with 504 yards and Hugh McElhenney was in ninth place.

MEL PATTON was named the Southland's top athlete. The USC swift turned in 9.1 and 20.2 clockings in the 100 and 220-yard sprints, and those times would be good even in this day of new records.

THE YANKEES beat the Dodgers in the world series and it was one of those big years for Ted Williams. The Splinter was the MVP, hit 43 homers and drove in 159 runs though losing the loop batting title to George Kell.

JACKIE ROBINSON made it big that year hitting a league leading 342 and getting the MVP nod. Ralph Kiner led in homers with 54 and bashed in 127 runs. Leftys Mel Parnell and Warren Spahn enjoyed 25 victory seasons on the mound for the Boston Red Sox and Braves.

THE HOLLYWOOD STARS won the PCL and the play-offs . . . Cary Middlecoff copped the U.S. Open . . . California, Oklahoma, Ohio State (tied with Michigan), Tulane, North Carolina and Rice won their respective grid titles.

PANCHO GONZALES was the National singles champ . . . Coaltown was named "horse of the year" . . . Ponder won the Kentucky Derby but Capot came back to nab both the Preakness and Belmont . . . Solidarity was the winner of the Hollywood Gold Cup . . . Gordon Glisson was the nation's top jockey.

SAN FRANCISCO won the N.I.T. basketball championship and Kentucky NCAA title . . . Ezzard Charles was heavyweight boxing champ, while Freddie Mills, Jake LaMotta, Ray Robinson, Ike Williams, Willie Pep, Manuel Ortiz and Rinty Monaghan also held fistic crowns.

SO THERE YOU ARE, 15 years ago in sports. QUOTABLE QUOTE: "By the time I retired, Sandy Koufax was the best pitcher in baseball. I'm convinced the old bonus rule, forcing him to sit on the Brooklyn and the L.A. bench, kept Koufax from progressing as rapidly as he might have." —Stan Musial.

Re-election Committee For Flournoy

Assemblyman Flournoy is ideally equipped for the position he holds and has gained a reputation as one of the ablest young legislators in Sacramento. I have been particularly impressed with his effort to hold down government spending and wherever possible to retain government at a local level. He deserves reelection," Mrs. Ferber said.

Bethany

The Rev. Walter Frank, director of the Greater European Mission, will speak to the adult Sunday School at Bethany Church of Sierra Madre at 10 a.m. this coming Sunday, May 31. Organized in 1952 under the direction of Dr. Robert P. Evans, the Greater European Mission has grown to a staff of over 100 missionaries with three Bible Institutes. Mr. Frank carries a great burden for the masses of Central and Western Europe. He states that there are more than 250,000 villages, towns and cities without a church and that GEM is committed to the task of reaching as many as possible with a witness for Christ. The public is cordially invited to attend this informative and inspirational hour.

Dr. Robert N. Schaper, pastor of the church, will

Lesson-Topic Announced By Dr. Barnhart

"Forgiving Is Forgetting" will be the lesson-topic of Dr. Ethel Barnhart at the Santa Anita Church of Religious Science, 26 W. Colorado Blvd., Arcadia, Sunday morning May 31 at both the 9 o'clock Family Worship Service and the 11 o'clock Worship Service. Dr. Barnhart will discuss the necessity of forgiveness for balanced living and how forgiving brings the inner peace with which all challenges may be met victoriously.

Religious education is provided for children from kindergarten through eighth grade at 9 o'clock. The Senior High youth meet every Sunday evening at 7 o'clock.

A prayer time for special requests and a Bible Class conducted by Mrs. Anna Dozier meets at 11 a.m. every Thursday. This class is a metaphysical interpretation of the Bible.

The Santa Anita Church Day School is open for children from six to 11 years for a summer session from July 20 to August 14. The enrollment is limited.

The 1964-65 school year of the school is also open for enrollment. The Mae Carden method of teaching will be adopted throughout the school at both sessions. Early enrollment is recommended. For further information call HI 6-8206.

A rare treat is being offered by Dr. Irma Glen, the minister of music, an internationally known organist and composer, at the organ dedication recital, June 7 at 7:30 p.m. Mr. Mackey Swan, soloist, will assist in the dedication. You and your friends are invited. "Day or night, Dial-for-Prayer, call HI 7-6162," reminds Dr. Barnhart.

speaking on "A True Memorial" at the 11 o'clock morning worship hour. This will be a special Memorial Day service. The evening hour of worship will be an inspirational time of music and praise with a message from the pastor. The newly-formed Men's Chorus also will be featured.

The Women's Missionary Society of the church will meet on Wednesday, June 3, at 9:30 a.m. for a work session followed by a fellowship luncheon and an afternoon program. The women are instrumental in providing needed clothing and bedding for mission projects in other lands as well as an inspirational mission emphasis for the ladies who attend the afternoon program.

Bethany Church extends a cordial welcome to the community to attend the worship services of the church as well as the completely graded Sunday School meeting at 9:30 on Sunday.

Golden Text Sets Theme For Sunday

"There is no power but of God." This Golden Text from Romans (ch. 13) establishes the theme of this Sunday's Bible Lesson at all Christian Science churches. The subject is "Ancient and Modern Necromancy, Alitism, Mesmerism, and Hypnotism, Denounced."

Some of the Bible readings tell about the building of the wall at Jerusalem through Nehemiah's acknowledgment that "The God of heaven, he will prosper us." (Neh. 2).

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this: "There is no power apart from God. Omnipotence has all-power and to acknowledge any other power is to dishonor God." (p. 228).

Dear Editor:

Witty's column is very important in helping to evaluate the truth, as the May 21 article.

There is much false and misleading news. It appears some people who are soft on Communism dislike the "Birchers." If they can be tolerant of one why not the other?

I sent a copy of Witty's column to a friend in the East (N.Y.) who had returned from a tour of duty with his son who was in the diplomatic posts (Switzerland and London). He said that particular column should have been in all the newspapers across the land! Some of the unethical lawyers fine combing of words is undermining our law and order.

Confucius said: "When words lose their meaning, the people will lose their liberty."

Dear Editor:

Chrisman and Gelber Speak In Sierra Madre

Robert Chrisman, Democratic candidate for the 49th Assembly District, and Mil-Gelber, 24th Congressional candidate, addressed a coffee hour at the home of Mr. and Mrs. Keith Seegmiller in Sierra Madre Tuesday evening.

Speaking of the lottery initiative, Chrisman said, "I oppose this measure as a regressive means of taxation; ultimately those who can least afford to participate in such a scheme as this bear the burden."

Gelber, addressing himself to the Civil Rights Bill now pending before the Senate, said, "The bill must be passed to insure equal voting rights, equal use of public facilities, equal employment opportunities to all citizens regardless of race, color, religion or national origin. At this point in history, it is unfortunate that it is even necessary to have such legislation."

Letters to the Editor . . .

I may not believe in what the man says, but I will defend to my death his right to say it.—(similar words of Voltaire)

Dear Editor:

It is beyond me what fatal fascination a candidate such as Governor Rockefeller holds for Republicans who are interested in the survival of their party. He, and such suggested presidential hopefuls as Lodge, Stassen, Scranton, Nixon, et al., bear the same fatal flaw—their political philosophies are a near blueprint of those in effect under the present Democratic administration. Why, in Heaven's name, would the necessary conservative Democrat votes be diverted to such men?

In Goldwater the Republicans have a candidate who will return us to our true two-party system. His voting record in the Senate has stood four square for the security of our country, and for defense to our excellent constitution. He embodies the qualities of honesty, fearlessness and considered judgment and his vote, not always with the majority, has shown he

would sacrifice personal popularity for principles that will retain our American heritage of freedom.

I am in agreement with him that his candidacy offers the people a choice, not an echo. Former "me too" candidates have a record of failure. In Goldwater the Republicans at last have a winner. Let's back him!

Sincerely yours,
—HELEN F. BEARD.

Voyagers of Trinity Attend Musical Comedy

Pre-theater buffet suppers and picnic in the park are being planned for friends and families of the Voyagers of Trinity Presbyterian Church on the evening of June 4 when they take over Theatre Americana in Farnsworth Park (in Altadena) for a benefit performance.

The presentation of "Four Sinners and a Saint," a musical comedy, is one intended to please adults and young adults alike. Several of the Voyager couples, the Scott McMurrays, Jack Smiths and Ed Brays, among others, plan to take their teenagers. The Rocky Scharers, Oliver Kellys, Cliff Faustus and Ward Clarks and others have assembled groups of their own contemporaries for get-togethers before and at the theater.

Tickets for this delightful musical, which tells what happens when four dyed-in-the-wool sinners inadvertently get to Heaven and man-in-charge-up-there handles the very awkward situation, are being made available to the general public for the June 4 performance through any member of this active couples' club at Trinity Presbyterian. Or they can be obtained by calling the church secretary at EL 5-1135, or Mrs. Oliver Kelly at EL 5-2326.

Many Enjoy Art Guild Exhibit

Sunday's art exhibit of the Artists Guild of Sierra Madre was very well received by the more than 150 guests, some from as far away as Norwalk, Hawthorne and Inglewood. Among the distinguished guests were Mayor and Mrs. Sorenson.

The lovely gardens of Mr. and Mrs. Henry Roeder of Canfield Road made a perfect setting for the outstanding paintings of members of the Art Guild.

Memorial Day — To each of us this day will have a different meaning. Perhaps it is the loss of a loved one during the past year, or a warrior fallen in battle, but this year especially thoughts will turn to our young President that fell in no less a battle.

Even more than a President, he was a man and a father, slain in the prime of his life. Politics have no place in the day, it is a time for remembering how life is perpetuated beyond the grave and the tragedies that befall all people. We live through eternity in our families our friends and our loved ones. We live through the small as well as the great acts of kindness, through giving of ourselves to others.

These are the things we will remember this Memorial Day. On this day we will particularly refresh our memories of those that we held dear.

It is such a privilege to share in the fiftieth wedding anniversary of your parents. To Mrs. Lincoln Wilson came this pleasure on May 18 of this year. Her parents, Mr. and Mrs. Frank J. Scheffold of Tamm, Illinois came to California to be with Dr. and Mrs. Wilson on this occasion. They were feted at a dinner party in their honor in La Jolla by Mr. and Mrs. W. W. Weitch, former Altadenans who have just moved into their lovely new home in La Jolla.

The Scheffolds were married in Humboldt, Tennessee, and have lived in Tamm all their married life.

In addition to the dinner party, their celebration was extended to a Dodge baseball game where it was flashed on the illuminated bulletin board that they were visiting out here for their fiftieth wedding anniversary, with the organ playing the anniversary waltz for them in the background.

Last weekend the Wilsons terminated the celebration by taking them for a week-end of fun in Las Vegas. May-I add my congratulations to a real darling two-some!

It is always a pleasure to write about the Sierra Madre Troop of the Mariner Scouts, namely "The Sea Nymphs."

On May 10 and 11 they competed with all of the Mariner Scouts in the San Gabriel Valley on the big scout GAM at Newport Beach. The Sea Nymphs won the coveted Golden Clipper award which is the highest award possible. They raised the money for this outing themselves through their fashion show.

Now the girls are working for their September cruise aboard the "Iron Cross." They are raising money by means of a rummage sale to be held on June 5 and 6 at 89 E. Montecito. The girls and their lucky moms are now busily looking for rummage and classifying it for the big sale. I am told that a phone call will bring one of the 29 young ladies in the troop to

your door to pick up any and all kinds of usable rummage that might be of some use to someone else.

The key girl to call is Joan Frederick at EL 5-9564 and she will make all arrangements to suit your convenience. It is this kind of young enthusiasm that makes me feel good and hopeful about our country's future. Some of the Sierra Madre Villa girls participating are Janet Hedrick, Linda Welsh, Linda Farmer, Gisela Von Bonninghausen, Claudia Welsh, Janet Osburn and Jean Gardiner. Good luck, girls!

The Las Sequitas Guild Bridge Luncheon drew a lot of the ladies from our area yesterday. The benefit luncheon was held at the home of Mrs. Andrew Fakis of Hampton Road.

At Mrs. Charles Hardison's tables were Mrs. James Smith, Mrs. Gene Rode, Mrs. Charles Goldsworthy, Mrs. Robert Mueller, Mrs. Lincoln Wilson, Mrs. Aikman Armstrong, and myself. Mrs. William Blakley, Mrs. Dominic Giangregorio, Mrs. William Olsen, and Mrs. Matt Slavin joined Mrs. Forrester Paxson at the Mrs. Larry Bar tables. Mrs. Henry Asher of Edgely Lane donated a lady's suit for the occasion.

Las Sequitas is a small group but a very vital supporting guild working for the Cystic Fibrosis Guild of Hastings Ranch.

The Sierra Guild to the Children's Hospital Associate Group met at the home of Mrs. Clarence Kanak last Tuesday morning for a work meeting and to make final plans for their forthcoming benefit bridge luncheon that will be held on June 10.

Mrs. Arthur Laufer had an impromptu morning coffee klatch last Friday to introduce her new neighbor Mrs. Hugh (Pat) Livingston around to some of the local gals.

I got such a kick talking to Mrs. Laufer. It seems they are having a tremendous population explosion down there of pet mice. The Laufer children now have 42 with steadily rising numbers daily. They are willing to part with them at a nominal fee to almost anyone that will haul them away. The parents are willing, that is to say, not the children. They are being scientifically raised. Ethel said they are quiet little things in the daytime, all burrowed under their sawdust, but at night they seem to go in for riotous living with swings swinging, wheels turning and generally kicking up their heels.

She said it's enough to really shake you up if you are not expecting it. Speaking of wild life, another little quib on my birds. One family is soon to have a new decorating problem. They have built their nest on a not yet fully bloomed giant bird of paradise blossom. Boy are they in for a shock. I just discovered the ungrateful little

David Butler On Dean's List

David Butler, 22, senior biological sciences major, son of Mr. and Mrs. Joe Butler, 180 E. Sierra Madre Blvd., is among the 493 students named to the dean's list for the winter quarter of the 1963-64 academic year at California State Polytechnic College (Kellogg Campus), Pomona.

The purpose of the dean's list is to give quarterly recognition to students achieving academic excellence. To be eligible, a student must be enrolled as a regular student carrying 12 units or more and must achieve a 3.0 (B) or better grade point average.

Earle Gaskill Passes Away

Mr. Earle D. Gaskill, age 79, of 515 W. Montecito, Sierra Madre, passed away May 22 in a South Pasadena rest home after a lengthy illness.

Mr. Gaskill was originally from Pennsylvania, but had resided in California for the past 20 years. He is survived by one brother, Burt E. Gaskill of Sierra Madre.

The Masonic funeral service was held on May 25 at the Ripple Mortuary Chapel, and committal was private at Pasadena Mausoleum.

Mrs. Doris Cover Succumbs May 21

Mrs. Doris Lillian Cover, age 94, of 607 Linwood Ave., Monrovia, passed away May 21 in a Monrovia convalescent home. She was originally from Minnesota, but had lived in California for the past 76 years, and had been a resident of Sierra Madre off and on for many years.

Mrs. Cover is survived by a son, William P. Cover of Monrovia, and a sister, Florence Lanaway of Seattle, Wash. The private committal was Saturday, May 23, at the Pasadena Mausoleum. Final interment, Evergreen Cemetery in Riverside, Calif. Arrangements were made by Ripple Mortuary of Sierra Madre.

Local Sales of Bonds Revealed

Sierra Madre community chairman for United States Savings Bonds Harry A. Lange, today revealed latest sales figures and data on their impact on the economy of this area, as Operation Security moved toward July 4 climax.

Los Angeles County sales of Savings Bonds for the year to date, through April, amount to \$48,663,516. Last year's first four months' sales were \$52,923,996.

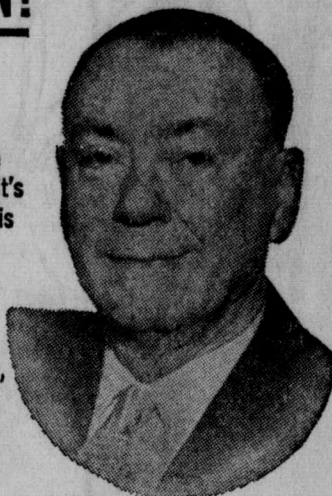

Southern California's 11 counties sold \$67,972,526 for the first four months of this year; for the same period of 1963, \$69,288,171.

In making the disclosures, the volunteer chairman said: "Locally, assuming the national average, holdings in this community and county amount to more than \$250 per resident. We are part of the national thrift umbrella as joint holders of \$47 billion outstanding in these Shares in America."

"This means greater personal and family thrift right here in this home community. Since they are bought, sold and redeemed here, they are truly a local asset, paying 3 1/2 per cent with absolute security, principal and interest returned, even if lost, stolen, or destroyed."

THE SECRET INGREDIENT IN OUR FRIED CHICKEN...IS CHAS. EATON!

You may think our fried chicken is so delicious because it's dipped in seasoned rice flour before frying. You're right. But it's also because Chas. Eaton is a cantankerous, stubborn, old-fashioned owner who insists on quality in everything we do. He's absolutely impossible, but you should taste what a difference it makes in the food!

The Ted Stetsons Visit Northwest

Mr. and Mrs. Ted R. Stetson returned May 14 from a 10 day business trip to the Pacific Northwest, including Seattle, Vancouver, B.C. and San Francisco.

In particular, they attended the semi-annual meeting in Seattle of the U. S. Department of Commerce Western International Trade Group. Also while in San Francisco, Mr. Stetson was a panelist at a meeting of the Pacific Coast Transportation Advisory Board, in a discussion on standardization of international trade documentation.

On the lighter side, the Stetsons had a brief but pleasant visit with former Sierra Madreans Clyde and Bonnie Hoover, who asked to be remembered to all their many friends here. The Hoovers lived for many years on Skyland Drive, and Bonnie was active in civic affairs, being a past president of the Civic Club.

Clyde was transferred some years ago to Portland, and recently to Seattle, where he is traffic operations supervisor of Pacific Northwest Bell Telephone Co. They are living happily on their retreat on Bainbridge Island, one of the many in Puget Sound, just a short ferry (not freeway) ride from the job in mainland Seattle.

The Hoovers' son Jan, Navy Officer 2nd Class on the nuclear submarine "James Madison," now lives with his wife and daughter in New London, Connecticut.

SIXTY-VOICE Montebello Senior High School A Cappella Choir, winner of many superior ratings, will again provide the music at the 44th annual Memorial Day observance at 11 a.m. Saturday, May 30, in Hillside Church at Rose Hills Memorial Park. In response to many requests, choir also will present free concert at 2 p.m. on Memorial Day in Hillside Church.

Captain R. Tobin Featured Speaker On Memorial Day

Captain Robert Tobin of the Salvation Army will give the featured address at the 44th annual Memorial Day program Saturday, May 30, at 11 a.m. in Hillside Church at Rose Hills Memorial Park.

Plans for the annual observance were announced yesterday by J. Vincent Walker, Memorial Day chairman of Whittier American Legion Post 51, and R. L. McNitt, Jr., Rose Hills president. Walker is chairman of the community Memorial Day committee made up of representatives from 21 veteran, patriotic and fraternal organizations which participate in the yearly observance at Rose Hills.

Music at the Rose Hills program this year will again be provided by Montebello Senior High School's 60-voice a cappella choir under the direction of Kenneth L. Cook. Their selections will include "America, the Beautiful," "Almighty God of Our Fathers," and a special arrangement

of the "Battle Hymn of the Republic," accompanied by Mrs. Eleanor Wahrman.

McNitt said that, in response to many requests, the Montebello choir also will give a free concert of sacred music in Hillside Church at 2 p.m. on Memorial Day.

Cystic Fibrosis Drive Urgently Needs Volunteers

Part-time volunteers are urgently needed to help the National Cystic Fibrosis Research Foundation's fund-raising campaign in Greater Los Angeles from June 19 through July 19.

This year the Foundation's goal in Los Angeles is \$100,000. These funds will contribute to the support of the two CF centers in Los Angeles. One at the Children's Hospital, which has been in operation for six years, and a recently opened center at UCLA.

Cystic Fibrosis is the leading cause of life-threatening lung disease in babies and children. It affects one in every thousand born. There is no known cure for CF, but research and treatment have prolonged the lives of children who ten years ago might not have reached school age.

Many celebrities will assist in the campaign, headed by Mrs. James Stewart (wife of actor Jimmy Stewart), who will act as campaign chairman. Honorary national chairman is Mrs. John F. Kennedy.

Volunteers are asked to contact the Cystic Fibrosis headquarters in Beverly Hills, 139 S. Beverly Drive, CRestview 5-1660.

Letters To The Editor . . .

Dear Editor:

The three railroads operating Los Angeles Union Passenger Terminal recently paid ad valorem taxes on this property in the amount of \$333,144.09. None of this tax take is used for terminal upkeep.

This brings up the interesting question: How much, if anything, do the airlines using International Airport contribute to meet the staggering local tax load? The airport occupies tax-exempt, county land. The tax assessed against this land, prior to its dedication to airport use, is simply added to the tax on all other private property in the county. Landing fees and proposed fuel taxes are only an attempt to recover some of the maintenance of public facilities provided for private airlines. The 5 per cent fare tax is in the same category. Three railroads victims of the ancient practice of "soak the railroads all the traffic will bear" might well ask this question. So might innumerable tax-chained, non-flying property owners who are concerned how far into the stratosphere alleged bargain air fares jet our taxes. It is no secret that subsidies, direct and indirect, cover half the cost of air transport "bargains!"

Your newspaper fights for you and for the right to know. It attempts to secure the best for the communities of which it is a vital part. Many hours are spent each week in serving you. Your newspaper is proud to foster those things which are of immeasurable importance to each of us.

Editorially Speaking....

"For as a man thinketh in his heart, so is he."
— Prov. 23:7

Call For Help

Anyone who has been a resident of Sierra Madre for any length of time has at some time or other heard the blast of the horn on top of the City Hall that was a signal to members of the Sierra Madre Search and Rescue Team to report for duty at their dedicated task of rescuing some unfortunate person who had become lost or stranded somewhere in the mountains or desert.

Their rescue attempts have not always been successful, as Fate has sometimes dealt them a losing hand and the victim has been located too late to be helped. But always the call has been answered and distance has not dissuaded the mountaineers from their task, as many times hundreds of miles separated the men from their assignment.

Now the signal has been issued for the rest of the town to answer. It is by no means a complicated assignment but a simple task for each and every responsible localite to heed. Financial assistance is desperately needed to permit the Rescue Team to continue to answer the call for help. Their equipment needs replacing and supplies must be replenished, so that the maximum of help may be given.

The Team time after time has risked life and limb to go to the aid of local residents and out-of-towners alike, and it is not hard to realize the terrible penalty if this service had to be terminated for the want of money. We cannot place a value on the lives that the Team has saved in the past, and the \$2500 needed to keep the Team going seems like a small amount for value received.

Two years ago when funds were needed, help came from many sources. Local residents contributed quickly and many former residents sent their contributions as they read or heard of the plight of the well-known Sierra Madre Search and Rescue Team, and we are hoping that again all will heed the call for help.

The Team has taken part in over 600 rescue attempts in its brief history, and when ratioted out this is but slightly over \$4 a call that is presently needed. If each of our 3800 families will but contribute a small amount, the goal will soon be surpassed and we can hold our heads up high, knowing that we have backed up OUR Rescue Team with dimes and dollars to help them do their job. Make checks payable to Sierra Madre Search and Rescue Team and drop them in the office of the Sierra Madre News, 9 Kersting Court or send them to Post Office Box 37, Sierra Madre.

YOUR HELP IS NEEDED — NOW!

Preserve - Conserve

Abandonment of the Monroe Doctrine and supine submission to Communist aggression in the Caribbean, long term piecemeal surrender of valid treaty rights in the Panama Canal Zone, concession after concession in the disarmament negotiations without counter concession or adequate inspection, refusal to help freedom fighters anywhere, opposition to Western colonialism while keeping silent regarding the far worse Communist colonialism, weakness and submission with reference to the war in Korea, championing of neutralism in Laos and Cambodia, refusal to assist the French when Communist aggression in Viet Nam could have been stopped, promoting the expansion of the pro-Communist Sukarno in Southeast Asian regions, the forcible suppression of Western leadership in Katanga and the Congo while championing the Communist factions in that area, and joining with the Russian Communists against our allies the British and the French to enable Nasser to illegally seize the Suez Canal — all these and many more evidences of weakness and Communist appeasement in Washington have convinced our friends and our enemies alike that our country is devoid of strength and intelligence in its foreign policy and that our enemies may continue to spit in our faces and exploit us with impunity.

As a result we evacuate our personnel from one country after another as we cringe before Communist aggression, submit to insults to our flag in Panama and Ghana where rioting mobs attack our embassies while Red China openly charges that we are collaborating with Communist Russia. Unfortunately the charge is true. For a generation the main outlines of our foreign policy have been directed toward appeasement and collaboration of Russian communism. We have fought her enemies and subsidized her friends. We have toppled right wing rulers who opposed communism and aided left wing dictators who favored it. This has long been standard policy in our conduct of foreign affairs.

Instead of allowing the twin evils, Hitlerism and Stalinism, to destroy each other we backed the stronger of these two antagonists to preserve and strengthen the Kremlin tyrants. Now it appears that we are repeating this error as the break looms between Red China and Red Russia. Both regimes are led by atheists, both are totalitarian slave regimes and we have nothing in common with them.

Let us profit by our previous mistake and let these two twin tyrannies exhaust one another while we preserve our strength for the defense of the free world. Let us be done with appeasement and all collaboration and defense of Russian communism while we resolutely renew our determination to uphold the ideals of our Founding Fathers and free self-government throughout the world.

FREEDOM

At Any Price

By H. V. Witty

"Treason doth never prosper, what's the reason? For if it prosper, none dare call it treason."

—Sir John Harrington, 1561-1612
Senator Joe McCarthy once said: "A Senator who is aware of treason but who refuses to expose the dangerous unpleasant facts for fear that he will be politically scarred and bloodied if he does, is actually guilty of a greater treason than the traitors themselves."

A Christian minister recently commented: "Dear friends, if you will take enough time from your golf game, your cocktail and card parties, your joy rides and TV to read and study the ifs, ands, and buts of the new Civil Rights Bill and compare it with the laws governing the Communist hordes, you will find but little difference in either of the civil regulations."

The Civil Rights Bill is admittedly the most radical piece of legislation in the field of civil rights ever recommended by any committee of the House or Senate. Knowledgeable sources have reported that this bill was drawn in secret meetings held between certain members of the committee, the Attorney General, and members of his staff, and certain selected persons to the exclusion of other committee members.

It would appear that H.R. 7152 was literally rammed through the Committee on the Judiciary without an opportunity for members of that committee to discuss, debate, or amend the lengthy 56 page document.

A close scrutiny of the Civil Rights Bill reveals its purpose and intent to be an Executive power grab which would give dictatorial control of the nation's civil rights to the President and his appointed Attorney General.

The Civil Rights Bill, by its very wording and content, will destroy: the right of freedom of speech, the right of freedom of the press, the right of homeowners to rent, lease or sell their homes as free individuals, the right of employers to hire or discharge any individual, the right of the farmer to hire help based on reliability rather than upon race, and the right of labor unions to honor seniority. The Civil Rights Bill encompasses federal control of education. Title six of this power grab amends every act authorizing veterans benefits, veterans and civil service pensions, health and welfare programs, unemployment compensation, and social security benefits so as to subject them to the controls and sanctions provided in the bill. One such control in the bill is the termination of or refusal to grant or to continue assistance under such a program.

As one writer puts it: "Grant this totality of power as is embodied in this package of legislation and our fire ball of Liberty will spin into darkness and suffocate. For our Republic cannot live without breath and the breath of our Republic is personal liberty and personal responsibility!"

It has been reliably reported that, "as a member of the House Judiciary Committee, Representative Frank Chelf is officially one of the authors of the Civil

Rights Bill. He signed the committee report recommending that it be passed. "But last week Chelf uttered these astonishing words: 'I'm against everything in this bill in its present form. It's an awful bill. I hadn't realized how bad it is.'"

"Representative Chelf hadn't even read the bill when he signed it. He said he did it as a favor to the late President Kennedy. The bill is loaded with fangs but Chelf, a senior member of the committee, signed up in ignorance — as a favor."

According to "Heads Up" Representative Chelf said: "It (Civil Rights Bill) will, in my opinion, extend federal domination over business, industry, and over individual citizens in a manner never before attempted since the Constitution of the United States was adopted." Concludes Representative Chelf, "It will destroy the constitutional checks and balances between Washington and the States."

"Heads Up" ties up the article by stating: "Hitler, Stalin nor Khrushchev were never holders of more naked power than would be given the federal government if the legislation is allowed to become law!"

BIRCH

SOCIETY

. . . . SAYS

ON PROPOSED CIVIL RIGHTS ACT

Messrs. Lloyd Wright and John C. Satterfield, both past presidents of the American Bar Association, have said of the (Civil Rights) Act: "It is 10 per cent civil rights and 90 per cent extension of Federal executive power . . . It will, in fact, extend Federal control over businesses, industry and over individuals (with a corresponding destruction of State power) in a degree that exceeds the total of such extensions of power by all judicial decisions and all Congressional actions since the Constitution of the United States was adopted . . . The 'civil rights' aspect of this legislation is but a cloak; uncontrolled Federal Executive power is the body . . . The Civil Rights Act is skillfully drawn with the patent, deliberate intent to destroy all effective constitutional limitations upon the extension of Federal governmental power over individuals and the States."

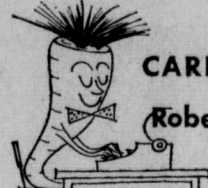

Maxine Karelius Succumbs May 17

Maxine L. Karelius, age 42, of 342 Bradoaks Ave., Monrovia, passed away Sunday, May 17 in the Huntington Memorial Hospital after a short illness.

Mrs. Karelius was born in Michigan, she had lived in California 14 years and in Monrovia 4 years. She is survived by her husband, Kenneth M. Karelius Sr., and her mother Mrs. Georgia Dodgson of Grand Rapids, Michigan.

Services were held Thursday in the Calvary Baptist in Monrovia with the Rev. Wesley H. Goshorn officiating.

CARROT TOP

By Robert Evans

Two very distinct and outstanding honors were given to me this past week, and I am beside myself in joy of receiving them.

—CT—
In recognition of individual services rendered, I was given a citation by The American Red Cross. This, in time, I will have framed and hang with my other valued citations that I have received since I have become editor of your newspaper, some 23 months ago.

—CT—
The second citation given me this past week, was in the form of a very handsome, handpainted, gold embossed ash tray, denoting that I had been elected as an honorary member of the Sierra Madre Yacht Club.

—CT—
Wowie . . . this is not an honor to take lightly, I immediately rushed up Sunny-side and on to Skyland to find a suitable mooring for my anticipated yacht.

—CT—
I ran smack dab into Julius Hammerschmitt . . . Now Julius is one that has spent considerable time with the Council in trying to persuade them to give immediate relief to these two areas in Flood Control Drainage . . . it has been hard for Julius to fathom the reason why Sierra Madre does not have the funds to give immediate relief, and it seems hard for Julius to understand the \$400 thousand the City keeps putting into the "inactive fund." But since he has been told that Sunny-side and Skyland are on the list as No. 1 and 2 when money is available, he is patiently waiting.

—CT—
Julius told me that anywhere on Sunny-side or Skyland would be a suitable mooring place for my yacht, since it could be two or three years before any work would be done in that vicinity.

—CT—
Of course he brought to my attention, the Foothill Street area, in the vicinity of the Neutral tract . . . his thinking of course was that it seemed that in the past few weeks, there was more water in that area, and a more satisfactory mooring could be had.

—CT—
Of course, to me, this is a little far from home base, I would not want my yacht tied up away from the rest of the members, and maybe miss out on some of the activities.

—CT—
Nevertheless, I accept the honor with deep dignity, and I shall always cherish it among my most treasured possessions.

—CT—
Here is something for you to mark down on your calendar for future reference: The National Pickle Packers Association is sponsoring May 21-30 as National Pickle week.

—CT—
We have no confirmation of the delightful possibility that the Pickle Packers picked Peter Piper as President, although we all know what Peter Piper Picked. (Or is the reader too young to have twisted his tongue on the "peck of pickled peppers.")

—CT—
Be that as it may, the world should stand in salute of Pickle Week. That's what — Please turn to Page 17

OUT OF THE COBWEBS

10 Years Ago:
May 27, 1954
Police Officer Robert Heasley has been promoted to the rank of sergeant on recommendation of Police Chief Gordon McMillan and approval of the City Council. The promotion is effective June 1. Heasley joined the force in April, 1951.

Sierra Madreans once again will "honor the dead by helping the living" when they pause to buy Buddy Poppies tomorrow and Saturday from members of local veterans organizations. The bright red paper poppies will be sold by representatives of the American Legion auxiliary and the auxiliary to Harry L. Embree Post, Veterans of Foreign Wars, who will be stationed all over the city, and hope to sell their quota of 2000 poppies.

20 Years Ago:
June 1, 1944
The probable population of Sierra Madre as of July 1 is estimated at 5500 by the Los Angeles County Regional Planning Commission in a report just issued. The city is hooked up with Monrovia and Arcadia and adjacent unincorporated territory in what the commission designates as the "Monrovia area," with a population of 41,040. Population of Monrovia is estimated at 14,370, Arcadia 13,130 and unincorporated area 8040.

Mrs. E. L. Jackson of 55 Auburn Ave., received a letter from her son, Sgt. Donald Jackson, now at a rest camp in the Hawaiian Islands. The President has presented the 2nd Marine division, to which Don belongs, with a citation for outstanding performance in the battle of Tarawa. Don was one of the first Marines to land at Tarawa.

A hundred dozen roses on a single climbing rose is attracting a lot of attention throughout the country. Current issues of horticultural trade papers carry a picture of the 30-year-old climber on the property of Walton Bayard at 305 E. Laurel. The climber now covers more than 2000 square feet, and is in full bloom. The roses, tinged with pink as the buds open, become snow white and are huge.

Arcadia Area Tri Deltas Install First Officers

Several area women were among those Tri Deltas recently installed as officers of the newly organized Arcadia Area Alumnae of Delta Delta Delta. The core of this new group had been for many years a Junior Group functioning as a part of the Pasadena Area Alumnae. Although any alumnae chapter is open to any Tri Delta, this new Arcadia Area Alumnae Chapter has been established primarily for Tri Deltas in Sierra Madre, Arcadia, Monrovia and Temple City. In addition to social and philanthropic activities, this alumnae chapter will be responsible for the recommendation of students from this area for membership in Tri Delta collegiate chapters at the various universities they plan to attend.

Officers installed at the recent May meeting of the chapter for the 1964-1965 term are:

President, Mrs. Mervin Johnson of La Canada; vice president (programs), Mrs. Harold Cassriel of Arcadia; vice president (membership), Mrs. Ronald McAdams of Temple City; recording secretary, Mrs. John Jennett of Arcadia; corresponding secretary, Mrs. Richard Bobbit of San Gabriel; treasurer, Mrs. J. Alfred Douglass of San Gabriel; delegates to Southern California Council of Delta Delta Delta, Mrs. Robert

Babe Ruth League Fund Drive To Award Motorcycle

If you have noticed the bright red and chrome Yamaha 80 Trail model motorcycle in a store window or two in town, it can be yours. Here's the story:

The Babe Ruth League of our Sierra Madre Baseball Association is having a fund-raising drive and will award this sparkling two-wheeler lightweight to the winner on June 13. The announcement will be made at the fourth annual baseball dinner-dance. (The winner must be 16 years of age or over and need not be present in order to win).

Babe Ruth League is having their Opening Day ceremonies on May 30 at 1 p.m. at the Sierra Mesa School grounds. Everyone is invited.

For either tickets on the Yamaha or information about the dance, phone Shirlee Bagnall at EL 5-8214.

Team pictures and Yamaha tickets are also available at the Diamond Diner. If there is a Babe Ruth player in your neighborhood he has tickets too. Give him a helping hand, he's working for his team and a free trip to the Dodger Stadium.

Matthews of Arcadia and Mrs. W. R. Sullivan of Arcadia; publicity chairman, Mrs. Jerry Asher of Sierra Madre; Panhellenic delegate, Mrs. Neil Fine of San Gabriel; membership recommendation chairman, Mrs. George Daugherty of San Marino; service projects chairman, Mrs. Donald Dewey of Pasadena and Mrs. Michael Buchanan of Pasadena.

Children's Hospital representatives, Mrs. Charles Scott of San Marino and Mrs. W. F. Mayer of Hastings Ranch.

Fraternity education chairman, Mrs. Jerry Asher of Sierra Madre. Delta Delta Delta was founded at Boston University in 1888. From this small but strong nucleus, Tri Delta has grown to 108 collegiate chapters and 315 alumnae chapters. This, Tri Delta's 75th year, has seen the initiation of the 75,000th member of Delta Delta Delta.

History proves that human nature can be improved a little, but has never been radically changed.

Neighborhood Drives Planned For Younger

Civic, professional and community leaders G. Norman Kennedy, Mrs. Martha Van De Verg and Frank R. Parks, co-chairmen of the Sierra Madre Area Younger For District Attorney Committee, announced plans for neighborhood Younger victory drives during the final days of the June 2 primary election.

In a joint statement they said, "We are conducting a final person-to-person whirlwind campaign to reach every possible local voter in an all-out effort to substantially increase Judge Younger's commanding lead—as shown in several recent professional polls—over his two rivals."

"Judge Younger's unprecedented, broad bi-partisan support," they added, "stems from public recognition that his record of more than 20 years of distinguished public service in the field of law enforcement is unmatched by either of his opponents."

They also noted that his ten-point nonpartisan program to stop crime increase and to fully protect the innocent has won support from Democrats and Republicans alike.

Highlights of Judge Younger's program include a coordinating council of the 48 independent police agencies in the county, with a central countywide clearing house of criminal records and identification, and electronic data processing and communications systems for immediate relay of police information.

He has also spelled out modernized crime prevention programs, particularly for today's youth, including encouragement of higher education, specialized training in job skills, and labor-management apprenticeship programs.

British Home Plans Annual Garden Fair

With "Come to the Fair" as theme, board members of the British Home for the Aged in California, are finalizing plans for the annual garden fair in the grounds, 647 Manzanita Ave., Sierra Madre, Saturday, June 6.

Chapter members of the Daughters of the British Empire in California will be serving luncheon, afternoon tea, and manning booths decking the lawns with a variety of merchandise; one booth, however, featuring articles made by the Home residents. Mrs. Robert Schnegg, chairman, advises that several bus loads of the Daughters are coming from Santa Monica, Santa Barbara, Santa Maria, Long Beach and Inglewood. Dignitaries of British and Canadian Consulates will be honor guests at the fair, as also supervisor and representatives of the State Department of Social Welfare, with Mrs. James P. Reynolds, home president greeting same.

Most people work harder while taking their vacation than they do on their regular job.

MRS. EARL P. SNYDER
Mrs. Earl Snyder Newly Elected President of Mount Alverno Guild

Newly-elected president of the Mount Alverno Guild is Mrs. Earl P. Snyder, charter member of the Guild. Mrs. Snyder has actively participated in the many activities since its inception. She is former treasurer of St. Rita's Guild and is currently treasurer of the Rancho Book Club.

Mrs. Snyder is the mother of three boys and two girls, both girls having entered the religious life and are now teaching. The new president is the wife of Earl P. Snyder, prominent builder and developer on the West Coast. He is a past president of the Home Builders Association and is a present director of the National Association of Home Builders.

Besides being active in numerous club activities, Mrs. Snyder enjoys golfing and bowling and is a member of the Gymbelles of the Jonathan Club. She also is the owner of the McGinnis

Airman Dittmar Graduates as Pharmacist

Airman Third Class Robert E. Dittmar, son of Mr. and Mrs. James Dittmar of 601 Mariposa Ave., Sierra Madre, has graduated from the technical training course for U.S. Air Force pharmacy specialists at Gunter AFB, Ala.

Airman Dittmar, now trained to compound and dispense drugs and chemicals, is being assigned to the Air Force hospital at March AFB, Calif. His unit furnishes medical services in support of the Strategic Air Command mission of keeping the nation's intercontinental missiles and jet bombers on constant alert.

A former student at Pasadena High School, the airman entered the Air Force in August, 1963.

Republicans Unite Says Pat Ferber

Pat Ferber stresses the need for Republicans to unite and back their assemblyman and congressman in the upcoming primary and November elections.

"There's a great need in the Republican party for increased communication of ideas and thoughts. Back door techniques and animal-like backbiting are not ways of communicating. We have men in office respected by their colleagues and then foolishly try to unseat these too few Republican incumbents much to the glee of the Democrats," says Mrs. Ferber.

As a County Central Committee candidate, Pat hopes to see the 49th assembly district set up Area Coordinating Councils among the diverse Republican clubs similar to the local council which includes representatives from Sierra Madre Republicans, Arcadia Young Republicans, the local chapter of UROC, Foothill Republicans, and the East Pasadena-Sierra Madre Republican Women Federated.

PCC Dental Assistants to Graduate June 12

Pasadena City College graduating dental assistants will be capped at a formal ceremony for faculty, parents and friends Friday, June 12, in Harbeson Hall, 8 p.m., by Pauline Anderson and Martha Burkhardt. "A Star in Your Sky" will be the subject of the graduation address to be given by Dr. Bruce Conklin, chairman of the Life Science department.

Receiving their A.A. degrees as well as their dental assisting caps will be Pennie Robinson and Nan Tyler, Sierra Madre; Judy Bogart, Norma Marsh, Mary Pearson and Susan Schaar, Arcadia, and Hally Hohn; Jane Solis, Altadena.

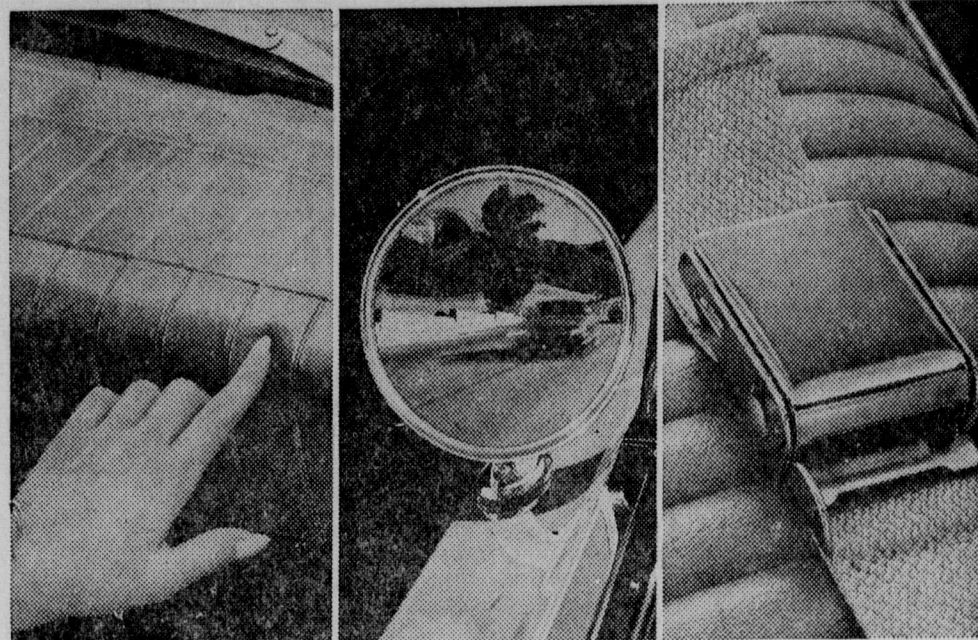

Sierra Madre PTA Announces New Officers

The Sierra Madre Association meeting was held Monday, May 25, at the Sierra Madre School Cafeteria. The program featured instrumental music from Mrs. Kerk's school orchestra classes and installation of PTA officers for the coming year. New officers installed include the following persons:

President, Mr. and Mrs. Edwin Cowan; first vice president, Mr. and Mrs. Lee Skarin; second vice president, Mr. and Mrs. Dean Stodard; fourth vice president, Mr. and Mrs. Robert Mitchell; fifth vice president, Mr. and Mrs. James Abernathy; sixth vice president, Mr. and Mrs. Talmage Morash; seventh vice president,

Mr. and Mrs. Norman Roe; recording secretary, Mrs. Carl Sidle; corresponding secretary, Mrs. Martin Storer; treasurer, Mrs. Stanley Walters; auditor, Mrs. James Wilson; historian, Mrs. Lou- is Lauter.

Kindergarten parents and teachers were the hostesses for the evening.

Double Ring Ceremony Unites Michele Cottle and Dennis Wilson

Miss Michele Lee Cottle became the bride of Dennis A. Wilson in a double ring ceremony at the Church of Latter Day Saints, Santa Ana, at 7 p.m. on May 9th.

Michele is the daughter of Mr. and Mrs. Bertrand Cottle of Santa Ana, and Dennis is the son of Mr. and Mrs. Walter A. Wilson of 2107 Anniversary Lane, Newport Beach, former residents of Sierra Madre for 14 years.

Given in marriage by her father, the bride wore a white silk organza gown with a chapel length train, and a fingertip veil. Her bridal bouquet was a white orchid with white carnations and roses.

The bridesmaids were Miss Juanita Neilson of Anaheim, Miss Sally Van Brunt of Corona del Mar, Miss Joan Carol Wilson, sister of the bridegroom, and Mrs. Sheila Cornier of Burbank. They wore blue chiffon gowns with a blue petal head dress trimmed with

pearls, and carried single white long stemmed roses. Heidi Lynn Cottle, sister of the bride, was flower girl. Dennis Kley of Pasadena served as best man, and the ushers were Gary Frey of Sierra Madre, Robert Saylor of Burbank, Jerry Jardine of Garden Grove and Bert Cottle, brother of the bride.

The guest book was attended by Andy Cottle and Adele Brown.

The wedding and reception were attended by 325 guests, and the parents of both the bride and bridegroom held an open house following the reception.

Out of town guests present for the wedding were Mrs. Sheldon D. Freeland of Detroit, Michigan, aunt of the bridegroom; Dr. and Mrs. Charles R. Petty of Arcadia, Mr. and Mrs. R. E. Nelson of Sierra Madre, and Neil Wilson of Sierra Madre. Also Dr. and Mrs. Louis Matchern of Beverly Hills, aunt and uncle of the bridegroom, Mr. and Mrs. Joseph Galindo of Chapman Woods, and Dr. and Mrs. Allen Cottle of Laguna Beach, aunt and uncle of the bride.

Dennis served with the U.S. Navy for two years after graduating from Pasadena High School, and then lived in Hawaii for two years after his Navy service. He is presently employed as Sales Representative with the Orange Travel Service, Orange, California.

After a honeymoon in Palm Springs, the newly married couple are now at home at 195 S. Wayfield, Orange. Their future plans include a trip to Europe.

Local P.C.C. Students Honored

Forty-eight of Pasadena City College's 1283 graduates have earned membership in the Alpha chapter of Alpha Gamma Sigma, California junior college scholarship society, according to George Josten, PCC life science professor and advisor to the organization.

Students receiving this honor have had a grade point average of 3.3 or better for four semesters and have qualified for graduation. They will be honored at a special ceremony in Harbeson Hall, June 16, at 5:30 p.m. when Dr. Catherine Robbins installs them as permanent members and presents them with gold pins and certificates.

Students to be honored include: from Sierra Madre, Itsushi Shintaku, Nan Tyler, and Eric Workman; from Arcadia, Mary Davis, Malilde Mosco, Emma Paquin, and Billie Jo Wilson, and from Monrovia, Glen Justice, Gabrielle Nurre, and Lorna Trump.

Social and Club Activities

Hastings Ranch Garden Club Hear Speaker

The Hastings Ranch Garden Club met Tuesday, for their May meeting. Mrs. Darlene Whitlock was hostess for dessert. Mrs. Emeline Jandigian was co-hostess.

A complete change from their regular meetings, the club members had the privilege of hearing a most interesting talk on "Personality and Physio-dynamics" by Mrs. Evelyn DeWitt. Mrs. DeWitt is well qualified on this subject, as she has her masters degree from the University of California in art, music and dance. She is taking further work at Los Angeles State.

The next meeting of the Hastings Ranch Garden Club will conclude the program for the season. At this meeting, which will be announced at a later date, will be the installation of new officers for the coming year.

Sharon Diann Westover Becomes Bride of Thomas Guy Artman

In a beautiful evening wedding on May 22, at Bethany Church, Sierra Madre, Sharon Diann Westover became the bride of Thomas Guy Artman. Dr. Robert Schaper performed the impressive ceremony at 8 o'clock.

Sharon is the daughter of Mr. and Mrs. Glenn D. Westover of 985 No. Vinado, Pasadena, and Thomas is the son of Mr. and Mrs. Charles C. Artman of 2161 Santa Anita, Sierra Madre.

Given in marriage by her father, the bride was lovely in a gown of antique white silk organza. It was designed with a portrait neckline, trimmed with flower appliques, long sleeves and a fitted bodice. The bouffant skirt and chapel train also had scattered appliques. Her finger tip silk illusion veil was held in place by a crown of seed pearls with pearl droplets, and she carried a bridal bouquet of white and pale pink roses.

The matron of honor, Mrs. William Mowry, is the bride's sister, and the maid of honor was Miss Barbara McWilliams of Pasadena. Their street length bouffant dresses were pink, with matching accessories, and they carried arm bouquets of long stem deep pink roses.

The flower girl was the bride's niece, Debra Ann Westover, daughter of Mr. and Mrs. Dwight Westover of Sierra Madre. Her dress was also pink with an overskirt of white dotted swiss, with a bow and sash. She carried a basket of pink roses and wore a crown of white stephanotis. The ring

bearer was the bride's nephew, Kevin F. Mowry, son of Mr. and Mrs. William Mowry of West Covina.

Mr. Daniel P. Morris of Sierra Madre served as best man, and the ushers were Jack Bahler of Altadena, and John Poindexter of Pasadena.

The bride's mother wore a sheath of aqua silk organza, with soft pink accessories. Her corsage was of pink Cymbidiums.

The bridegroom's mother wore a sheath of fern green lace with matching accessories, and her corsage was also of pink Cymbidiums.

Following a reception, the newly married couple left on a honeymoon trip up north, and upon their return will live in Pasadena.

Luncheon For Newly Elected Officers June 4

A presentation luncheon for newly elected officers of the philanthropy department of the Shakespeare Club will be held at a Pasadena restaurant at noon on Thursday, June 4. Mrs. J. Kent Blanche, director, will present the gavel to her successor, Mrs. Marvin R. Ives, and will also install the following officers: Mrs. Marvin E. Nesbit, vice director; Mrs. Warren I. Henningsgard, welfare; Mrs. Harvey S. Johnson, secretary; Mrs. Mario De Modena, treasurer; Mrs. Robert D. Gray, press; Mrs. G. G. Brubaker, bridge; Mrs. Kermit Burford, sports; Mrs. Lon R. McIntire, hospitality; Mrs. Walton Talley, social; Mrs. Herbert G. Claudius, reservations.

Mrs. Roy J. Buchanan, social chairman, is in charge of the affair, and Mrs. Arthur L. Canty is arranging appropriate decorations.

Special guests include Mrs. T. William Heidner, club president; Mrs. James C. Chambers, vice president; Mrs. J. G. Servais, newly-elected director of the American home department; Mrs. Claude R. Hickman and Mrs. William Hannaford, outgoing and incoming presidents of the Shakespeare club juniors. Reservations are being taken by Mrs. Frederick Kreft.

For Tuesday, June 9, Mrs. Blanche and Mrs. Ives have invited the newly installed board to meet with the outgoing board to a luncheon and briefing session at the home of Mrs. Ives.

Las Artistas Announce New Officers

Las Artistas, a woman's art Club, will hold its regular monthly meeting on Wednesday, May 27, at the Rodger Young Auditorium, 936 W. Washington Blvd., Los Angeles.

Featured on the afternoon program will be William Kao-Dor Loh, who will give a demonstration of watercolor using his native Chinese style.

Mr. Loh was born in Kating, a small city near Shanghai. He was a Western education in Shanghai, and studied with the Chinese contemporary artist, Chao Shao-An.

The following officers will

be installed for the year 1964-1965:

Lee Dunkel (Mrs. F. D., Canoga Park), president; Lucile Sloan (Mrs. E. B., Los Angeles), first vice president; Marian Cummings (Torrance), second vice president; Ethel Von Zell (Mrs. Robert, Los Angeles), third vice president; Dorothy Brandt (Mrs. H. E., Whittier); Musette McCutcheon (Mrs. H. E., Torrance), treasurer.

REFLECTIONS
OF A MAN
ABOUT TOWN

All suburbanites are endowed with certain inalienable rights: among these are life, liberty and the pursuit of crabgrass!

A Los Angeles firm which manufactures concrete burial vaults issues a monthly publication aptly named "Cheer."

Daffynition: Habits — Trait Jackets.

Sunset Boulevard in Hollywood has literally become "The Strip." Night clubs on the street which serve luncheon are now offering mid-day stripping on their bill-of-fare. A few housewives have protested this new policy of offering "girlie shows" at noon, claiming, "Women don't mind their husbands eating lunch, but they object to the menu — chicken sandwiches with chickens running around with very little on!"

Economic Note: "Twenty years ago a lot of people dreamed of earning the salary they can't get along on today."

POET'S CORN
Mr. Business went to church,
He never missed a Sunday.
Mr. Business went to Hades
For what he did on Monday!

Letters to the Editor

I may not believe in what the man says, but I will defend to my death his right to say it.—(similar words of Voltaire)

Dear Editor:
The Sierra Madre Little League wishes to express their appreciation for your job in the successful opening day ceremonies on May 2nd at Heasley Field.

It is always encouraging to know that there are people who will take time from the demands of a busy schedule to make their unique contribution to a program that benefits our youngsters.

—ROBERT C. EVERHART
Secretary, Sierra Madre Little League

Dear Editor:

On behalf of Gamma Tau Chapter, Beta Sigma Phi, I would like to express my deepest appreciation for your kind cooperation and support in publishing our chapter news during the past months. It has been my aim as publicity chairman to gain recognition for the chapter through the press not only within the sorority, but within the community as well.

The original Gamma Tau Chapter, a member of Los Angeles City Council, Beta Sigma Phi, was mainly composed of members within the Los Angeles City area. During the past year, the chapter found itself with members residing in the San Gabriel Valley area as well as in Los Angeles. These San Gabriel Valley members, with the help of Mrs. Milada Reed, a Beta Sigma Phi International Field Representative, have now organized a new chapter within the San Gabriel Valley Council of the sorority. I take great pride in introducing Beta Alpha Omicron.

Beta Sigma Phi, the largest Greek-letter organization in the world, is an international group of women with the common interest of broadening their lives through cultural, social and service activities. Each of these 11 members of Beta Alpha Omicron feel that the proximity of the members within the chapter will be to great advantage in promoting chapter and community activities.

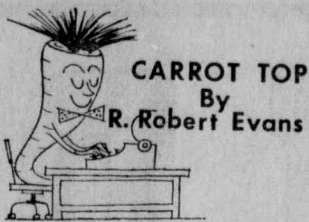

Having been appointed publicity chairman for Beta Alpha Omicron, I am most anxious that the new chapter's enthusiasm, spirit and interests be introduced in the finest manner possible and that the highest degree of mutual respect and cooperation be initiated and continued between our chapter and the community. I would most heartily welcome any ideas or suggestions you might have to assist me in these goals. Thank you again from Gamma Tau Chapter, and in advance, from Beta Alpha Omicron.

—Mrs. ANNIE AGUILAR

Two National Magazines Honor El Poche Cafe

If recognition by a national magazine doubles a restaurateur's hat size, Jerry Torres owns a head that needs a super-large sombrero these days.

Jerry's El Poche Cafe, a San Gabriel landmark just below the San Gabriel Mission, is featured in two distinguished national publications this month.

it's been in for quite some time anyway.

I am indeed very happy over the organization of the Foothill Association. Like the Apartment Owners Association, people of the area are fast coming to the conclusion that the way to receive recognition is not by gripping and growling, but to organize themselves into a solid group, and when they present themselves in this condition they will be recognized and their problems given unbiased attention. We certainly say . . . "More Power To You."

"Institutions," slick "bible" of the restaurant industry, devotes an entire section to "Spanish Conquest: Food and Design With a Latin Touch" that highlights El Poche along with New York City's "La Ponda del Sol."

Included in the write-up is a magnificent photograph — taken from just beneath the roof of the cafe's three-story-tall Rincón Flamenco Tower — of the Mario Escudero Flamenco troupe performing for cafe guests.

The second magazine to honor El Poche is the June "Ford Times."

The editors describe the restaurant: "It captures the color and carefree spirit of Mexico." And the cuisine: "The seasoning is subtle but distinct — rather than hot." Illustrating the compliments is an equally complimentary original painting by artist Jake Lee showing El Poche's Garden Salon in its natural splendid color.

IT ALL HELPS

Even the man who practices his religion only once a week has a good chance of keeping his batting average up.

HALF SOLVED

The teaching of public speaking in our schools fails to go far enough — it teaches how to speak, but not when.

In endorsing the above candidates U.R.O.C. feels that they stand for traditional Republican principles such as: God is the source of rights and freedoms of the individual and that it is the primary function of officeholders to preserve these rights and freedoms. Further, that man's governmental institutions need to be sufficiently decentralized in order for the people to feel that the government is truly an extension of themselves. Such a government can be so responsive to a people's real needs that the grass roots are able to control their own destiny within a reasonable degree of predictability.
